THE BLAST -Aluminum Hybrid Snow Mobile Trailer

Shown with optional side door.

SUPER LOCK™ Screwless Exterior Aluminum system, unique to AmeraLite™, on sides. No other manufacturer has anything like it. **SUPER LOCK™** Lasts longer, looks much better, won't rust. Inter-locking aluminum panels are glued **and** mechanically fastened but not exposed to view and weather.

The AmeraLite Blast™ comes with a rear ramp door and front access door standard. Every unit is framed for an optional side door. Ramp doors have double automotive bulb seals -locks out dust, moisture, and road grime for superior protection over single weather strip used by other manufacturers.

All models have DryMax Engineered Flooring, standard. These high performance engineered panels resist moisture and chemicals -will not absorb moisture, swell, warp, or delaminate. Stronger and stiffer than plywood.
